History of the Republic of Colombia
The Republic of Colombia is a country in the north-west of South America. It is a large country with a population of about 15 million. The capital is Bogotá. The country is known for its beautiful scenery and its rich history. It was founded in 1539 and has since then been a part of the Spanish Empire. After the independence of the other Spanish colonies, Colombia remained a Spanish colony until 1810. It then became a republic and has since then been a member of the United Nations.

The desolation of France demonstrated. Or, Evident proofs that one half of the people of that kindom [!] are destroyed. Two thirds of its capital stock consumed; and the nation reduc'd to such a condition that it cannot be restored to the flourishing state it was in thirty years ago, in less than two hundred years, and not then neither, except the whole frame of their government be new modell'd. By a person of quality, a native of France.
